A valid 2019/2020 Delaware hunting license is required to register. **NOTE:** Once obtained, this registration will be valid for hunters participating in the Delaware State Park Hunting Program at any Delaware State Park that has hunting. **However, it is the hunter’s responsibility to become familiar with each park’s specific rules and regulations.**

3. **Hunting with any firearm is prohibited until the November shotgun season.**

Tags must be returned and the hunter must sign out when the hunter leaves their

hunting area for any reason. Tags may not be removed from the board until 5:00 AM daily. Failure to comply with these rules will result in revocation of park hunting privileges.

13. It is illegal to use or build a nailed or permanent tree stand or ladder. Portable stands must be of a type that will not damage trees. Unattended stands will be confiscated.
14. The clearing/cutting of vegetation to form shooting lanes or for any other purpose is prohibited. Tying ribbon or placing of reflective tacks (hot dots) on trees is prohibited.

**MESSAGE TO ALL HUNTERS:**

- Please be careful, discrete and considerate around other park visitors. Understand that many park patrons are NOT hunters and some may feel threatened by your presence.
- Deer remain in moderate numbers in the park. By hunting in Lums Pond, you are a vital part of our “deer management team”.
- Proper management of Lums’ deer herd is simple: we must harvest does and let more yearling and button bucks walk away to balance the herd’s sex ratio to increase the number of mature males. Make a proper management decision before you shoot.
- Have a safe and successful hunt.
